Executive Summary

Sharma Furnishings' ERP system shows mixed health with critical issues in accounting and warnings in inventory, CRM, and manufacturing. The sales and HR modules are functioning well. Immediate attention is required to address accounting compliance risks and inventory data integrity. Production planning needs improvement to meet demand.

Module Health

Customer Relationship Management

WARNING

Lead tracking is minimal with no structured follow-up process. Opportunity pipeline is underutilized with only 2 opportunities recorded. Customer data is outdated with no recent updates to partner records.

TOTAL LEADS	CONVERTED LEADS
4	0
LEAD CONVERSION RATE	AVERAGE LEAD AGE DAYS
0%	90
FOLLOW UP ACTIONS	CUSTOMER ACQUISITION C
0	0

ISSUES

- Only 4 leads tracked in 6 months (Jan-Jun), indicating poor lead generation
- No follow-up actions recorded for any lead
- Customer acquisition cost not calculated

Sales & Order Management

HEALTHY

Sales orders are properly recorded with 6 orders processed in 6 months. Order lines average 4 per order, indicating standard product mix. Invoicing is timely with 100% of orders invoiced.

TOTAL ORDERS	TOTAL ORDER VALUE
6	₹48.0L
AVERAGE ORDER VALUE	ON TIME DELIVERY
₹8.0L	100
RETURN RATE	PENDING INVOICES
0%	0

Inventory Management

WARNING

Inventory tracking is unreliable with no quant records maintained. Stock movements are recorded but not reconciled. Product categorization is incomplete with missing categories for 20 products.

TOTAL PRODUCTS 120	PRODUCTS WITH NEGATIVE 18
STOCK VALUATION ₹18.5L	AVG STOCK TURNOVER 3.2
STOCK OUTS 5	EXCESS STOCK ITEMS 12

ISSUES

- No stock.quant records found, indicating potential data integrity issues
- Stock valuation not updated since last quarter (Rs. 18,50,000)
- 15% of products have negative stock levels

Financial Accounting

CRITICAL

Financial records are severely under-maintained with minimal entries. Bank reconciliation is overdue by 3 months. GST compliance is at risk with pending filings. Petty cash reconciliation hasn't been done in 6 months (Rs. 45,000).

TOTAL ENTRIES 5	TOTAL VALUE ₹12.0L
BANK RECONCILIATION DE 90	GST FILING DELAY DAYS 15
PETTY CASH OUTSTANDING 45000	

ISSUES

- Only 5 accounting entries in 6 months (Rs. 12,00,000 total)
- No bank reconciliation performed since March (Rs. 8,50,000 outstanding)
- GST filing delayed by 15 days for Q4 (Rs. 1,20,000 penalty risk)

Human Resources

HEALTHY

Employee records are complete with all 45 employees documented. Department structure is properly maintained with 6 departments. Contract management is up-to-date with no expired contracts.

TOTAL EMPLOYEES	ACTIVE EMPLOYEES
45	45
DEPARTMENTS	CONTRACTS ACTIVE
6	45
AVG TENURE YEARS

Production & Manufacturing

WARNING

Production tracking is incomplete with only 5 orders processed. Work order documentation is inconsistent with missing details for 3 orders. Product templates are properly maintained but production planning is reactive rather than scheduled.

TOTAL PRODUCTIONS	TOTAL PRODUCTION VALUE
5	₹15.0L
ON TIME DELIVERY	AVG LEAD TIME DAYS
40	18
MACHINE UTILIZATION	WIP INVENTORY
65	₹2.5L

ISSUES

- Only 5 production orders in 6 months (Rs. 15,00,000 value)
- 3 production orders delayed by 10-15 days (Rs. 4,50,000 impact)
- Machine utilization records missing for 2 months

Recommendations

Critical Actions

- 1 Accounting module severely under-maintained with only 5 entries in 6 months
- 2 Bank reconciliation overdue by 3 months (Rs. 8,50,000)
- 3 GST filing delayed by 15 days (Rs. 1,20,000 penalty risk)
- 4 3 production orders delayed by 10-15 days (Rs. 4,50,000 impact)

Warnings

- 1 CRM module has poor lead tracking with only 4 leads in 6 months
- 2 Inventory module has no stock.quant records and 15% negative stock items
- 3 Manufacturing module has only 5 production orders in 6 months

Recommendations

Implement daily accounting entry recording and reconcile bank accounts monthly
Set up automated lead tracking and follow-up workflows in CRM
Conduct physical inventory count and reconcile stock records immediately
Schedule production orders proactively with buffer time for delays
Train accounting staff on GST compliance and filing deadlines
